

## 2.3 VIVO LINE

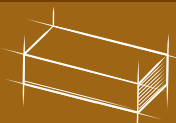

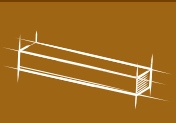

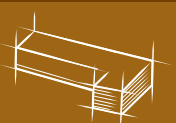

### TECHNICAL SPECIFICATIONS

Vivo is a true novelty in modern bricks, the first facing brick with a smooth, sandless finish. It shines in the sunlight, exalting the natural nuances of terracotta.

*Vivo is a wholly unique SanMarco product, there is nothing else like it in the world.*

It is available in four intense colors and various formats. Vivo is created via a unique process that produces a facing brick with a smooth finish and unique reflective qualities. *The result is a delightfully luminous façade.* Vivo is the ideal choice for exteriors, urban fixtures, interior fittings and mansard ceilings.

Vivo is a **CE** certified product.
